

Helo we cum in piece, we ar from the north's rusia lend . I hev 5 childs and all is blind end cen't works inside a jobb. I ned mony for my childs. Regard ;)

Helo. We ur interneshonal bisnusmens who walked on oxfords skool universite. We went to berrew yur mony to invests dem mony for yu. You pye us \$100 end we give yu €1000000000 billion dollar rupies. Profit: mor then 100%

Hei ;) I em a elektrizan end i ned mony for fod. I em elektrizan inside a vilege in nortsen rusians. the ding are... in this "vilege" we hev no elektri-city. for .this es not an city. we onle hev water end fod. i walked on oxford skols, harvards skols, end univer-city of finix. i culd be doctor but i hef no many to tek me to hospetel. so ples, gimme mony for bus ticket to rusians hospetel in warzaw in rusians. if i get mony to hospetel yu get first 8 selery per monts. so if yu gimme 500 usa mony i gif yu 1000000 uropeen mony. yu go = 100000% pro-fits. end ples red me blogs to supports patreons.

Ej, jo. I em snopp dog. Yu mey not beliv me but it are truth. Ther es teny problems for sombude stole me tiket hom from rusian konsert ? i weld lak to get many helps throm many peple. for the gyu who stole me tiket hom from rusian konster=stole me hous . end cloth end all me mony end , waif. ass son ass i hev mony for tiket hom, i cal polis end dey giv me beck hous end cloth end all me mony and waif !!!!! so then i wel pye yu beck. only problem = tiket hom from rusian konsert kost many mony. so gimme 900 amerikan usa mony end tel yur femele to do same ting

hey, i em yur doktor, i em typing for yu regards yur helts probelm. i just got cal from lokal polis end yur nurs. dey sey to me = we cen fix hem to yu dok, but et wel kost abut many many mony.. i want to sey for yu somethings. i em kind doctor. i cen pye al yur hospetel bil for yu but i dont hef enof mony for pye yur bils ;) so if yu gimme 60000 i cen pye al of monys to bil. ok ? i em nice dok ;) tek ker!

/dr amerikan Александр!

Hei . I em mhia kalifas? I went yu tu now i em horny abut yu, yu cen hev six weth me if yu pye me 600 dolands. ;)

Lok, im marid but if. yu gimme \$6000 dolands i cen aford to have cheating om my byufrends ;)?
